On Tuesday, July 11<sup>th</sup> at 9:30 - 11:30 am

**Topic: Mystery and Mayhem** - Come and Celebrate a Great Canadian Mystery Novelist **Louise Penny**, soon to release her 13<sup>th</sup> novel. Her mystery novels are set in Quebec featuring Chief Inspector Armand Gamache, head of the homicide department of the Sûreté du Québec.

"My books are about terror. That brooding terror curled deep down inside us. But more than that, more than murder, more than all the rancid emotions and actions, my books are about goodness, and kindness. About choices. About friendship and belonging, and love, enduring love. If you take only one thing away from any of my books I'd like it to be this: Goodness exists." <http://www.louisepenny.com>

You do not have to read her books, just be curious! Bring your favourite mystery writer, movie or TV series to enliven the discussion. All are welcome as each session is new. ### Living in God's Time

We talk about having time, making time, and wasting time. We spend time, kill time, and count time. Time flies and time heals. It appears that "time" is quite the companion on our human journey!

The Church also speaks in a special way about time, using two words coined by the ancient Greeks. *Chronos* is clock time—as we indicate in the word *chronological*. It's the seconds, minutes, hours, and years of our lives.

*Kairos* is a different kind of time. *Kairos* speaks about the quality of time. It's what we mean when we speak of the "right time," the "perfect time," or an "opportune time." It could be a rich moment or an extended period of charity and presence. Many of us have had experiences that were so crystalized that we felt as if time stood still. That's *Kairos*!

When we speak of "God's time," we use the word *kairos*. It is the "fullness of time," as mentioned in Paul's letter to the Galatians (4:4-7), and what the Second Letter of Peter references with the statement "with the Lord one day is like a thousand years, and a thousand years are like one day (2 Peter 3:8). *Kairos* is the space in which the temporal and the eternal meet. When we are swept up in prayer, when we are no longer checking our watch. When we are fully in the moment, we are in the sacred time of *kairos*.

As Christians, we believe that the universe is pulsing with the grace of God. We only have to stop and see to begin expanding our experience of sacred time. In Mark 8:18, Jesus asks all of us, "do you have eyes, and fail to see? Do you have ears, and fail to hear?" What are you not seeing? Hearing? Sensing? Feeling? Have a conversation with your children about how you "spend" your time. Do you rush a lot as a family? Do you make time to sit and have an evening meal, and talking for a while? Let your inquiry into sacred time be rich. Our God-in-time will be with you!
